ZLATOVEZ, SCHOOL'S NEWSPAPER

SCHOOL'S WEB-PAGE

- http://ss-strukovna-ahorvata-dj.skole.hr/ldv/pro_ldv_dog
- Prvi projektni sastanak u Turskoj
-
- Srednja strukovna škola Antuna Horvata na projektnom sastanku u Turskoj predstavljala Đakovo i Hrvatsku

LECTURE FOR TEACHERS OF CROATIAN LANGUAGE, NAŠICE

- February 2013.
- 25 teachers were informed about our LdV project and our activities, also about LdV in general
- We tried motivating them talking about our mobilities

SCHOOL BORD GORJANI AND OUR SCHOOL BOARD

- For the members of our school board headmaster of our school presented the project, also he informs them regularly about all the activities
- We informed members of some other school boards about our project, activities and their potential benefits from European projects

TEACHERS OF OUR SCHOOL

- All the teachers of our school were informed about LdV and our project during one of the teachers meetings
- We asked them to join us in the project activities
- As a result, we have much bigger project team for this project and for our future projects

PARENTS MEETING AT OUR SCHOOL

- Parents were informed at the meetings in 2012 and 2013 about LdV, about our project and about activities and mobilities

POSTER

- During traditional project days at our school in December, we made poster and presentations to inform all the students about future activities of our project
