

LYCEE JULES MICHELET

FRENCH PARTNER

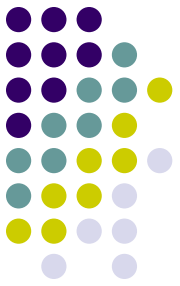

Where is our school located?

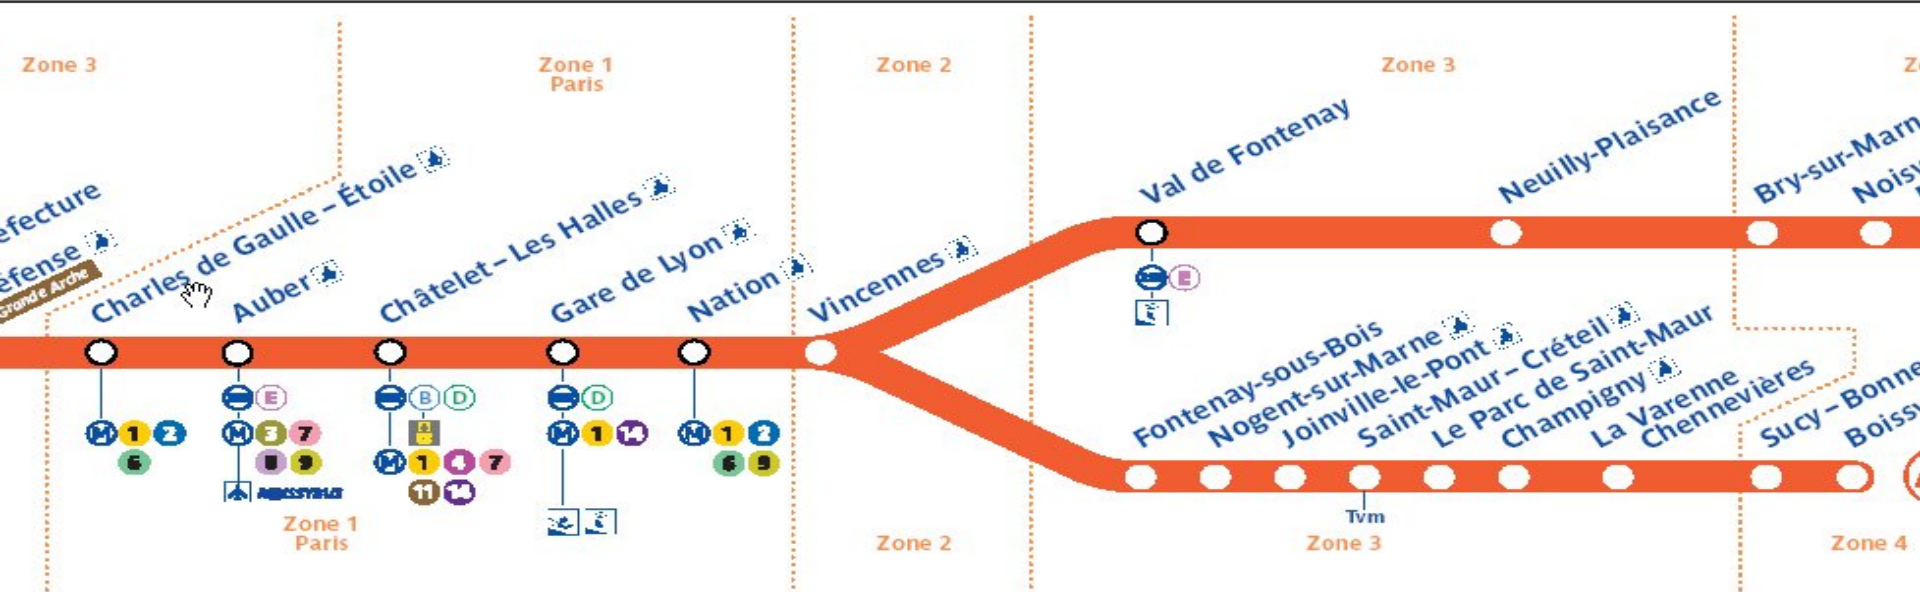

- **School is named after a French historian Jules Michelet**
- **Its location is its big asset, it is nicely located near PARIS**
- **This advantage enables teachers to organize cultural events (visits to museums, parks, theatres, cinemas)**
- **or to plan short trips around (for example a visit to Monet's gardens in Giverny)**

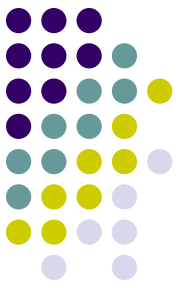

How do you get to our school?

- Students can come to the school by bus and by train, There are two stations : val de Fontenay and fontenay sous bois

PHOTOS

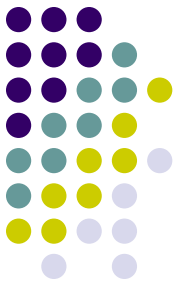

- The school is divided in two main sites
- Saint germain and michelet

CAREER PERSPECTIVES

- **Lycée professionnel**
- The *Lycée Professionnel* leads to several different vocational degrees in all different fields.
- Most students are not planning on getting a higher education. But through internships in companies, they get an close idea about their future jobs.
- SCNCF RATP are for example big companies which offer great opportunities for our students
